Dear Mrs. Evans:

Thank you very much for the excellent color photograph of the clock tower of Carbondale City Hall. It was very thoughtful of you to take the photograph and to send it to me.

The restoration of the tower room on the third floor of Carbondale City Hall ("301") is proceeding at a good rate of speed. We hope to have the room completed by the first week of February, at which time a photography show--sponsored by the Scranton newspaper, THE METRO--will be held therein.

The next meeting of the Carbondale Historical Society will take place on January 6, 1983 at 7:30 P.M. in the basement of the Berean Baptist Church. Carbondale Postmaster Gerald P. Barrett will attend this meeting in order to report on and answer questions about the proposed new Post Office for Carbondale. The Carbondale Historical Society is opposed to the idea of building a new post office, so it should be an interesting meeting. I hope that your schedule is such that you will be able to attend this important meeting.

Sincerely yours,

S. Robert Powell
